Emergency Purchase Order Memo
EMERGENCY PURCHASE EXPLANATION

MATERIAL OR SERVICES PURCHASED (GENERAL DESCRIPTION):

Paving of Deltona Blvd & Normandy Blvd to included road base structural repair and traffic loops.

NATURE OF EMERGENCY AFFECTING SAFETY, HEALTH OR WELFARE OF THE PUBLIC. BE CONCISE BUT DESCRIBE THE EMERGENCY COMPLETELY:

On Monday April 15th there was a water main break at the Deltona Blvd & Normandy Blvd Intersection. The water main break repairs were completed by City staff. Paving repairs were needed due to roadway washout from the main break. P&S paving was brought in to make the road structurally sound and correct paving issues cause by the water main break. Volusia County was also needed to install new traffic loops since the old ones are not salvageable when making roadway repairs. Emergency repairs were needed to prevent safety issues for motorist traveling this intersection.
