BACKGROUND:

..Background

This new Ford Maverick will be utilized by the Utility Division as a vehicle for wastewater operators at the Deltona Lakes Water Reclamation Facility to take samples and collect field data at locations throughout the city’s infrastructure. The budgeted capital cost was \$38,000, but upon further evaluation and needs assessment the required vehicle price is \$28,580.56. Staff obtained a quote through Duval Ford using the competitively bid Florida Sheriffs Association Light Vehicle Contract #FSA-VEL31.0.
