Motion by Commissioner Santiago, seconded by Commissioner Colwell, to defer Item 9-A to a date certain of October 20, 2025. The motion carried by the following vote:

For: 6 - Mayor Avila, Vice Mayor Heriot, Commissioner Avila-Vazquez, Commissioner Colwell, Commissioner Howington, and Commissioner Santiago

6. DELTONA COMMUNITY EVENTS:

7. NEW BUSINESS:

A. Request for approval of Resolution No. 2025-121 Adopting the Tentative Millage for Fiscal Year 2025 - 2026.

The City Attorney read the title of Resolution No. 2025-121 and Resolution No. 2025-122 for the record. Procedurally the Commission may have a collective discussion on both the millage rate and the budget but, the Commission will need to take a separate vote on each at the end.

Motion by Vice Mayor Heriot, seconded by Commissioner Santiago, to request approval of Resolution No. 2025-121 adopting the tentative millage for fiscal year 2025 2026 with one change that the millage rate be 6.75 which is .05 higher than what is presented to us.

The Mayor stated at this time, the Commission will listen to public comment on both items even though the Commission has to vote on them separately.

The City Attorney stated the motion needs to be read as 6.75 per 1,000 per state statute.

Amended motion by Vice Mayor Heriot, seconded by Commissioner Santiago, to approve Resolution No. 2025-121 adopting the City of Deltona fiscal year 2025-2026 tentative millage rate of 6.75 mills per \$1,000 evaluation.

The Mayor opened the public hearing and residents addressed the City Commission.

The Finance Director stated he will start first with a short presentation that summarizes the budget for the proposed budget for FY25-26. The fiscal year 2025 2026 budget overview.

The Commission discussed lake cleanup, the millage rate and full rollback, costs doubling, running more efficiency, unaffordable government, tax bills and the TRIM (Truth In Millage) notice, quality of life, parks, and promises made.

The City Attorney stated the Finance Director has a required statement that he needs to read.

The Finance Director stated that with the recess of the first public hearing from Wednesday, September 3rd until Monday, September 8th, it is necessary to reschedule the final public

hearing until Monday, September 22nd, in order to allow for the proper notification in the newspaper. So, we would have to have a special meeting on September 22nd to allow for that time. All notifications regarding the recess were made in compliance with TRIM. Everything was posted on the main City website along with a page that we've posted all the budget documents for this FY25-26 process. This rescheduled meeting will be considered a Special City Commission Meeting. The FY25-26 budget commences on October 1st, 2025, and continues through September 30th, 2026, for the City of Deltona. The City Commission shall discuss the tentative millage necessary to fund the FY25-26 final budget for the City of Deltona. The City of Deltona is the taxing authority and the current year taxable value for operating purposes is \$5,671,597,678. The adopted tentative millage rate of 6.75 mills per \$1,000 of valuation is a 3.06% increase in ad valorem tax revenues above the roll back rate of 6.594.

The Finance Director stated he placed on the dais for everyone this evening the cost of public records that he was asked to do on two individuals along with every member of the Commission. The average taxable value for a residential unit within Deltona next year is a little over \$122,000 versus last year's \$119,000. We are looking at an overall increase for the average residential property within Deltona of \$6.84 for a 12-month period. He only looked at the Deltona portion not the overall tax bill. Except for the Mayor who rents, everyone else's taxes for next year did show a decrease over this year. If he takes into account all the members of the Commission plus the citywide average, we are looking at a 55 cent increase for the entire year for the members of the Commission plus the average. So, that's \$6.84 for the average. This does not take into account any commercial properties. This increase in millage over the rollback rate is for funding of the operations, debt service, capital outlay, and capital improvement programs of the City of Deltona. Major changes from last year as follows: AHAC (Affordable Housing Advisory Committee) funding of \$343,000, stormwater lake remediation of \$269,000, general fund debt reduction \$333,000, fraud and compliance audit of \$500,000, additional litigation of a million dollars, two additional code officers of \$149,000, two additional vehicles for the above officers of \$72,000, six additional firefighters funded at 75% of a fiscal year of \$534,000, and the Sheriff's contract increase of \$1.15 million. All other department funds decreased with the exception of the Public Works due to the nature of their business and the reduction of 12 positions within the City. Nine of them within the general fund with a reduction of \$772,000. Plus the capital improvements funded by the general fund land acquisition of repetitive loss properties of a million, fire training complex of 250,000, park capital improvements of 4.25 million and the Catalina Boulevard and Elkcarn Blvd. elevation of the HMGP grant of a little over \$1 million. This budget includes all operating capital costs for fiscal year 2026. This budget includes the general special revenue debt service capital enterprise and internal service funds. The proposed citywide FY25-26 budget for all funds is \$245,683,379.

The Commission and City Attorney discussed the document handed out by the Finance Director and that it would be released in compliance with the law.

Commissioner Avila-Vazquez called Point of Order regarding the discussion of the information provided.

The Mayor asked the Finance Director to read the required motion and the Finance Director replied to recap for Item 7-A which is the tentative millage, it is a motion to approve Resolution No. 2025-121 adopting the City of Deltona FY25-26 tentative millage rate of 6.7500 mills per 1,000 evaluation.

The amended motion failed by the following vote:

For: 3 - Mayor Avila, Vice Mayor Heriot, and Commissioner Santiago

Against: 3 - Commissioner Avila-Vazquez, Commissioner Colwell, and Commissioner Howington

The Mayor stated to take a recess so the City Manager, City Attorney and staff can meet with each Commissioner individually in the back room.

The City Attorney stated if it is the will of the body, we can take a recess to allow the City Manager and his staff to meet individually with each Commissioner to discuss an amended tentative millage rate that could be presented by staff in order to allow this to move forward tonight. It is a requirement as the Finance Director noted that the Commission does have to pass a resolution enacting a tentative budget in order to meet State Statute. Someone who was on the side of the motion could offer an alternative motion. So that would be the Vice Mayor and Commissioner Santiago who were the maker and the second. They could offer an alternative motion at this time. However, if that is not going to be done, then we could continue directly to the recess.

The Commission, City Attorney and Finance Director discussed keeping the live stream streaming and mandatory deadlines.

The Finance Director stated the latest in order to comply with all the notifications would be Wednesday, September the 17th to pass a tentative millage, which would mean that we would have to hold our final public hearing on Monday, September 29th. The only caveat to that would be typically speaking as we are in a particular season here in Florida, we could be impacted. Then typically the Governor would issue an Executive Order that could extend it for the typically, final public hearing. Usually, the first public hearing occurs no later than September 15th.

The City Manager stated if the Commission decides to go to rollback then the Commission would need to decide what to cut from the budget because both items are related.

The City Attorney suggested a 30 minute recess with an extension if needed.

The Mayor called a recess 6:55 p.m. and reconvened at 7:56 p.m.

Motion by Commissioner Howington, seconded by Commissioner Colwell, to adopt a tentative millage for the FY25-26 at the full rollback rate of 6.5494 per \$1,000. The motion failed by the following vote:

For: 2 - Commissioner Colwell, and Commissioner Howington

Against: 4 - Mayor Avila, Vice Mayor Heriot, Commissioner Avila-Vazquez, and Commissioner Santiago

Motion by Vice Mayor Heriot, seconded by Commissioner Santiago, to approve Resolution No. 2025-121 adopting the tentative millage rate of 6.70 mills per \$1,000 evaluation.

Amended motion by Vice Mayor Heriot, seconded by Commissioner Santiago, to approve Resolution No. 2025-121 adopting the tentative millage rate of 6.7000 mills per \$1,000 evaluation. The amended motion carried by the following vote:

For: 4 - Mayor Avila, Vice Mayor Heriot, Commissioner Avila-Vazquez, and Commissioner Santiago

Against: 2 - Commissioner Colwell, and Commissioner Howington

B. Request for approval of Resolution No. 2025-122 Adopting the Tentative Budget for FY 2025 – 2026.

The City Attorney stated as previously discussed this evening, we held a collective public hearing on both Item 7-A and 7-B so this will be Item 7-B Resolution No. 2025-122 and he read the title of the resolution for the record. Also, the Finance Director will have an updated total budget number for the Commission based on the approved tentative millage rate of 6.7000.

The Finance Director stated this budget includes all operating and capital costs for FY 2025-2026. This budget includes the General, Special Revenue, Debt Service, Capital, Enterprise and Internal Service Funds. The proposed citywide FY 2025-2026 budget for all funds is \$245,407,034.

Motion by Vice Mayor Heriot, seconded by Commissioner Santiago, to approve Resolution No. 2025-122, adopting the tentative budget for FY 2025-2026 in the amount of \$245,407,034. The motion carried by the following vote:

For: 4 - Mayor Avila, Vice Mayor Heriot, Commissioner Avila-Vazquez, and Commissioner Santiago

Against: 2 - Commissioner Colwell, and Commissioner Howington

C. District 6 Commissioner

The City Attorney stated this is an item for discussion regarding the resignation of the district 6 commissioner. As per the City Charter, Section 5.(7)(b)2. which he read for the record. This is for the Commission to discuss as a body this resignation and any process that the Commission may like to follow regarding appointment.

Commissioner Avila-Vazquez stated the City has a process which she would like to continue using and to rank the applicants received.

The Mayor asked for clarification, that would also include a motion and vote at the end because that is the only thing the Charter requires. The Commission has a rating system and a vote at the end. Commissioner Avila-Vazquez replied no, there is a rating system and whomever has the lowest total is the one that gets appointed.

The City Attorney stated it is a requirement of Sunshine that there be a formal motion and second on the floor in order to ensure that a system such as this would not be perceived as a secret ballot. So, the Commission may certainly use a ranking system, but the Commission would still have to have a motion and a second to adopt the lowest or highest ranked candidate on the floor.

The Mayor opened public comments and residents addressed the City Commission.

Motion by Commissioner Avila-Vazquez, seconded by Commissioner Colwell, to keep the form that we are currently using to select the next District 6 Commissioner. The motion carried by the following vote:

For: 4 - Mayor Avila, Commissioner Avila-Vazquez, Commissioner Colwell, and Commissioner Howington

Against: 2 - Vice Mayor Heriot, and Commissioner Santiago

The City Manager stated recommendation by the Commission we put out the application in the next day or two so that the Commission knows what they are looking at.

The City Attorney stated for clarification the date of the resignation letter was August 27th and 30 days is Saturday, September 26th.

R. Request for approval of Resolution No. 2025-123 awarding an agreement between the City of Deltona and Waste Pro to provide Solid Waste collection services.

Commissioner Colwell stated the agreement expires in a few weeks can it be tabled and the City Attorney replied that because the solid waste fees are assessed through a special assessment the last date that those assessments can be enacted is the September 15th meeting. So, the City would need to have an agreement on price so that it could be properly charged through the assessments by September 15th. If there are other negotiable items that the Commission would like for staff to address, the Commission can approve the price and provide directions to staff to continue negotiation on those other items and bring them back.

Motion by Commissioner Colwell, seconded by Commissioner Avila-Vazquez, to table this until September 15th.

Amended motion by Commissioner Colwell, seconded by Commissioner Avila-Vazquez, to table this item until September 15th and direct the City Manager to work with Mr. Redman in negotiating these items.

The City Attorney clarified that the amended motion is to direct the City Manager to include Mr. Redman in the negotiations and to contract with Mr. Redman and Commissioner Colwell agreed.

Commissioner Colwell, City Manager, Deputy City Manager and City Attorney spoke about fees increasing, the cost of doing business, whether the extra fees are an advantage, accountability of Waste Pro, the removed administrative fees, the violation costs, the Commission's options, and samples of fees charged.

The City Attorney stated for clarification, Commissioner Colwell is looking to table this to

have staff look at adding back in some of the administrative fees that were taken out with this amended and restated to revert more to the previous contract. Commissioner Colwell replied yes and there is verbiage that is incorrect in there as far as the location for the gallons and the size of the containers.

Commissioner Avila-Vazquez requested the difference between the last contract and this contract, what was removed, what kind of services were removed that will affect the residents. The City Attorney replied it is his understanding that the services will remain the same, that the residents will have the same level of service but certainly staff can provide that as part of the revised staff report.

The Commission and Deputy City Manager discussed enforcement mechanisms, surrounding Cities' contracts, the contract rate, and Mr. Redman's initial numbers.

Mr. Redman, Redman Consulting Group, spoke about the rate, last year's penalties, enforcement of the contract, WastePro employee turnover, not agreeing with all aspects of the contract, the cap on pricing, and the administrative charges removed.

Tim Dolman, Waste Pro, spoke about the 5% cap on CPI, the administrative fees, and level of service.

The motion failed by the following vote:

For: 3 - Mayor Avila, Vice Mayor Heriot, and Commissioner Santiago

Against: 3 - Commissioner Avila-Vazquez, Commissioner Colwell, and Commissioner Howington

Motion by Vice Mayor Heriot, seconded by Commissioner Santiago, to approve Resolution No. 2025-123 awarding an agreement between the City of Deltona and Waste Pro to provide Solid Waste collection services.

The City Manager spoke about the enforcement of the contract and Redman Consulting Group.

The City Attorney read the title of Resolution No. 2025-123 for the record.

The motion failed by the following vote:

For: 3 - Mayor Avila, Vice Mayor Heriot, and Commissioner Santiago

Against: 3 - Commissioner Avila-Vazquez, Commissioner Colwell, and Commissioner Howington

The City Attorney stated he believes a motion to table is probably appropriate in this case since there is clearly not a will to approve the contract as presented and he does not believe that staff and Waste Pro will be able to successfully negotiate revise this contract in a recess. So, if the Commission is willing to table this item to a date certain of September

15th to allow staff time to continue looking at the contract.

Motion by Commissioner Avila-Vazquez, seconded by Commissioner Howington, to table the Waste Pro contract until the next meeting which is the 15th of September.

Commissioner Howington asked if there is an opportunity for the City to potentially extend the current contract so the Commission can get a comfort level and potentially get the District 6 seat filled. The Finance Director replied if this is unsuccessfully negotiated by next Monday this would have to be placed on the monthly utility bill vs. the tax bill. If the City does not have something firm by Monday evening at 11:00 p.m. this would not be able to go on the tax bill for next year.

The motion carried by the following vote:

For: 4 - Mayor Avila, Commissioner Avila-Vazquez, Commissioner Colwell, and Commissioner Howington

Against: 2 - Vice Mayor Heriot, and Commissioner Santiago

S. Request for presentations before the City Commission.

Approved by Consent Agenda - to approve the following presentations be made before the City Commission on the September 15, 2025, Regular Commission Meeting agenda and shall not exceed 10 minutes.

9. ORDINANCES AND PUBLIC HEARINGS:

A. Quasi-judicial Hearing - Ordinance No. 32-2025, A request to amend the Official Zoning map to rezone ±7.93 acres of land located along the East Howland Boulevard Corridor north of Pine Ridge High School from Commercial (C-1) to Mixed-Use Planned Unit Development (MPUD), at first reading.

At the request of the applicant this item was deferred to a date certain of October 20, 2025.

B. Public Hearing - Ordinance No. 34-2025, Amendment to Section 110-319 PUD, Planned Unit Development, at first reading.

The City Attorney read the title of Ordinance No. 34-2025 for the record and he explained the amendments to the ordinance.

Motion by Commissioner Santiago, seconded by Vice Mayor Heriot, to approve the proposed amendments to Section 110-319.

The Mayor opened and closed the public hearing as there were no public comments. The Planning & Development Services Director gave a brief presentation on the item.

The motion carried by the following vote:

For: 4 - Mayor Avila, Vice Mayor Heriot, Commissioner Avila-Vazquez, and Commissioner Santiago

Against: 2 - Commissioner Colwell, and Commissioner Howington

10. ACTION ITEMS:

- A. Request for approval of Resolution No. 2025-92, approving the Community Development Block Grant (CDBG) Public Services awards for program year 2025-2026; authorizing the City Manager to execute subrecipient agreements with the top ranked respondents to the Notice of Funding Availability.**

The City Attorney read the title of Resolution No. 2025-92 for the record.

Motion by Commissioner Santiago, seconded by Vice Mayor Heriot, to approve Resolution No. 2025-92.

Commissioner Avila-Vazquez spoke about the breakdown of funds and she requested to award New Hope Hands of Hope what they requested.

Commissioner Santiago requested to remove funds from both The Neighborhood Center of West Volusia and The Early Learning Coalition of Flagler & Volusia Counties, Inc. and add those funds to New Hope-Hands of Hope Housing Assistance.

The Mayor asked the City Attorney for a recommended motion and the City Attorney replied to approve Resolution No. 2025-92, with the New Hope-Hands of Hope Housing Assistance recommended award being increased to \$25,000 and the deficit taken equally from the recommended award for The Neighborhood Center of West Volusia and The Early Learning Coalition of Flagler & Volusia Counties, Inc.

Amended motion by Commissioner Santiago, seconded by Vice Mayor Heriot, as stated by the City Attorney to approve Resolution No. 2025-92, with the New Hope-Hands of Hope Housing Assistance recommended award being increased to \$25,000 and the deficit taken equally from the recommended award for The Neighborhood Center of West Volusia and The Early Learning Coalition of Flagler & Volusia Counties, Inc. The amended motion carried by the following vote:

For: 6 - Mayor Avila, Vice Mayor Heriot, Commissioner Avila-Vazquez, Commissioner Colwell, Commissioner Howington, and Commissioner Santiago

11. CITY ATTORNEY COMMENTS:

12. CITY MANAGER COMMENTS:
