Re: Recommendation of Award of RFP#26019 Misc. Land Acquisition Services

Staff solicited responses from firms for Misc. Land Acquisition Services. Three responses were received. The firms that responded were American Acquisition Group, Bowman and O.R. Colon Associates, Inc. The Selection Committee members were Phyllis Wallace, Glenn Whitcomb and Jim Parrish. The Committee independently reviewed and scored the proposals and then met on July 7, 2026 and came to a consensus to recommend award to all three firms to be put on a list to be used as needed.

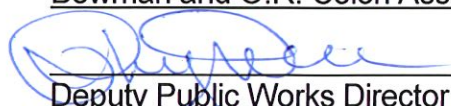

Please provide your approval below on behalf of the Committee.

If you have any questions, please let me know. Thanks.
