Business Operations.

Please summarize your
work experience.

As an Executive Director I lead a large size team to service
excellence. Primary responsibilities include overseeing and
optimizing daily operations, streamlining processes, and driving
strategic initiatives. This is done by creating and managing an
annual budget, developing and implementing consistent policy
and procedures, identifying challenges, proposing creative and
innovative solutions, identifying and developing up and coming
high performers and retaining top talent. All while leading my
team to success while holding myself accountable to our CARE
values, (collaboration, accountability, respect and

Describe any additional
knowledge, skill,
education, or
experience you have,
which would assist you
in the duties of this
Board/Committee.

I believe my many years of experience as a Senior Leader in a
fortune 500 company have prepared me to represent our city
professionally. I understand decisions need to be made on facts
rather than emotion, and am a skilled researcher. I have been
respectfully involved in our city's governing process for 5 years.
In addition, I hold multiple professional designations, all requiring
continuing education and many requiring conduct above
reproach, ethic and morals standards.

Explain why you want
to serve on this
Board/Committee, and
include any potential
contribution you
selection would bring.

I have been actively involved in our city's governing process for 5
years and an alternate member of the Planning & Zoning board
for the last 18 months. I have demonstrated I will professionally
represent our city while maintaining respect for both our city
officials and residents. I would like to see our processes and
procedures currently in place for developers and new building
change as they are no longer relevant to the current challenges
our city and residents find themselves in.

Potential Conflict of
Interest

No. Other than owning my own home for 17 years and having a
very concerned and vested interest in our city's success.

Have you ever been

No.
