University

Thank You

Team Volusia EDC, through tremendous commitment and partnership, works on strategic economic development activities and business recruitment initiatives to Volusia County, Florida. The organization is a valuable part of the economic development delivery system and works in partnership with state and county agencies, municipalities, chambers and other resource partners to achieve county-wide economic development goals for Volusia County. The EDC's program and services are partially funded through contracts with Volusia County and many of the municipalities located within the county. Additional funds are raised from private sector companies and organizations. Today, the organizations continues to grow and help strengthen the economic prosperity for the region.
