Additional Information or Comments

I have proudly called Deltona, Florida home since 1994. I graduated from Deltona High School in 1998 and have since built my life and family here. I've been married since 1999 and have raised three children in this community, all of whom were educated in Deltona schools.

I hold an Associate of Science degree and have been employed full-time with Florida Public Utilities Company for more than 17 years, gaining valuable professional and community experience through my work.

With my children now grown, I'm eager to devote more time to serving my community and pursuing my own interests, including opportunities that allow me to contribute positively to the future of Deltona.
