

# City of Deltona Presentation

*Barracks of Hope Construction*

# Barracks of Hope Construction

## *Overview of Project*

- Opened at 605 N Segrave in December 2018
- Provides housing and support to over 70 male and female veterans each year
- 80% success rate moving into permanent housing
- Average length of stay – 133 days
- \$400,000 per year to operate
- Operations funded through VA GPD program and donations
- Looking for better location since 2019
- Applied for VA Capital Grant in 2021

# Barracks of Hope Construction

## *Funding Received*

VA Capital Grant

\$1,000,000

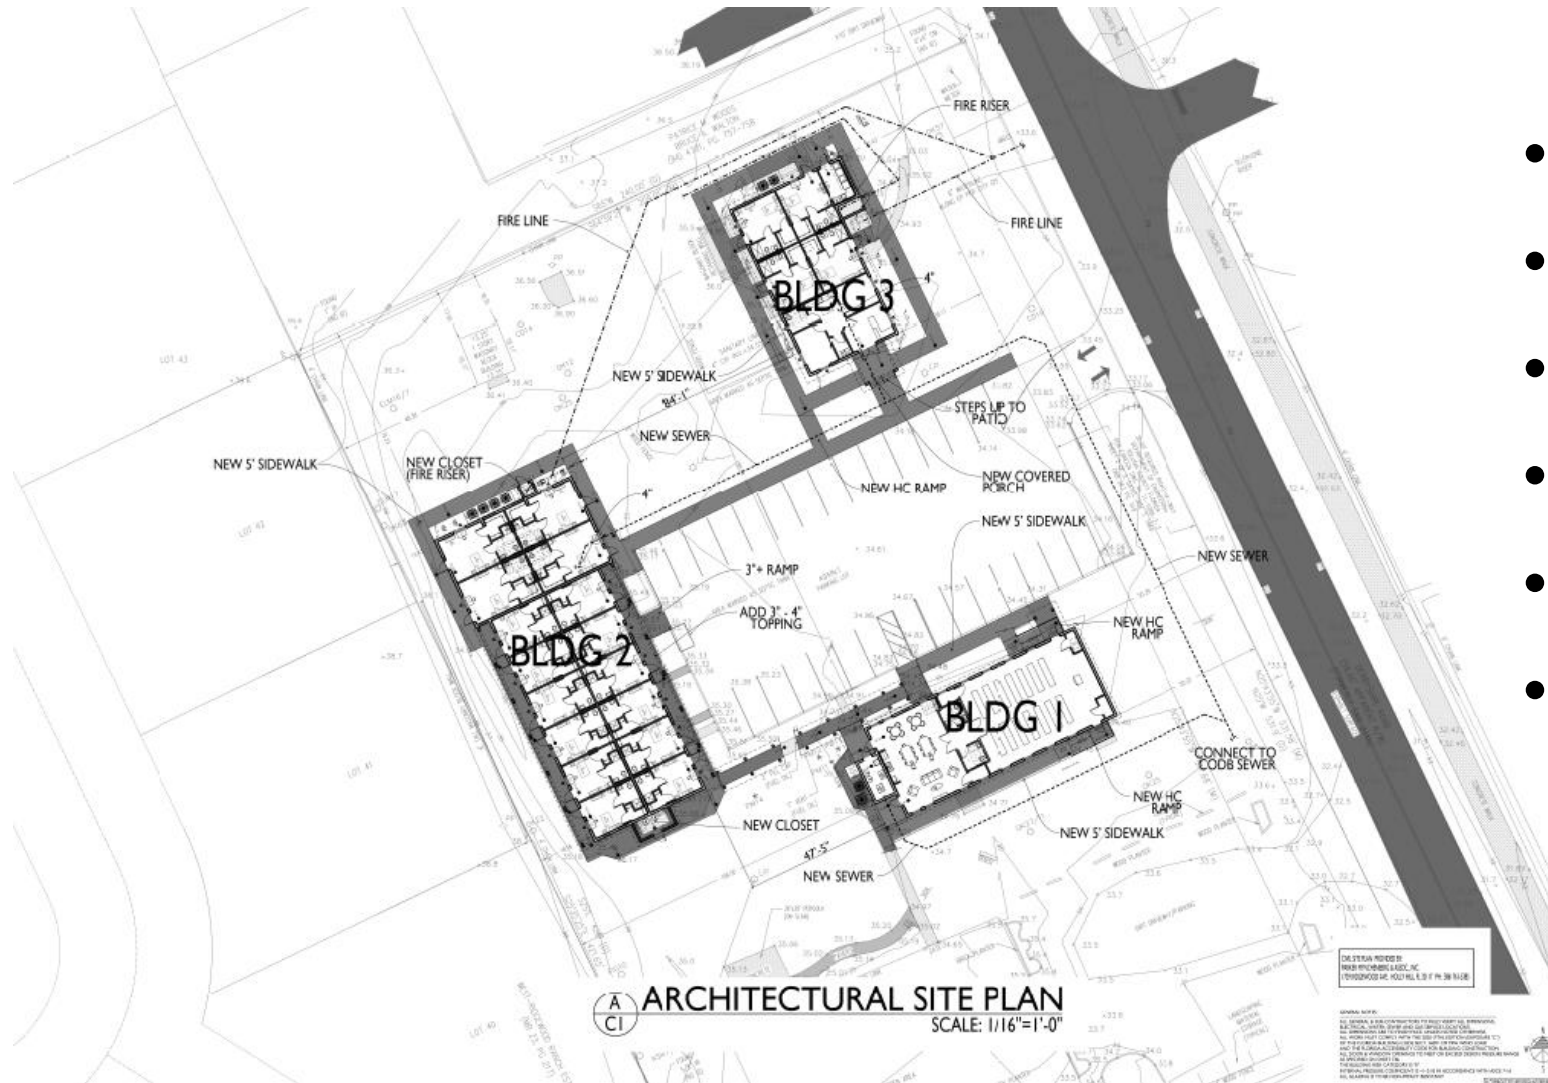

County of Volusia Capital Grant

\$1,000,000

# Barracks of Hope Construction

# Barracks of Hope Construction

## *Review of Costs*

Architectural, Engineering, Construction	\$2,328,290 (up 37% since original estimate in 2020)
Furniture, Fixtures & Equipment	\$75,000
Total Cost	\$2,403,290
Funded	\$2,000,000
Unfunded	\$403,290

# Barracks of Hope Construction

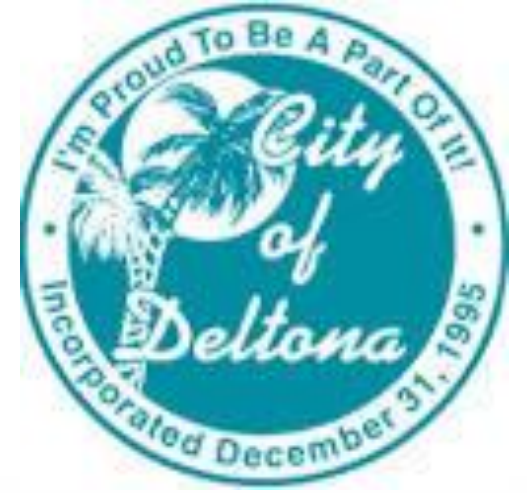

## *\$25,000 Room Sponsorship*

- A private room and bath for every Veteran
- Capital request – not operational
- Our goal is to have every city's name on a room of the facility
- $\$25,000 \times 16 = \$400,000$

The **Barracks of Hope** will offer **Veterans** the housing stability they so richly deserve!

These **Veterans** stood up for us!

Will you stand up for them by supporting this effort?
