What Commission district do you reside in?	District 5

Are you a registered voter in Volusia County?	Yes
Who is your employer? (Please include number of years, address, phone number and title / position)	HCA 11 years System Administrator
Please summarize your work experience.	I've worked in the medical field for over 15 years, with the last 11 years being in healthcare IT. I've worked in Volusia County as a lifeguard and have experience in sales, project management, and information systems. I understand how complicate pieces of interconnected systems work together. I also understand process improvement thoroughly.
List any volunteer service organizations, clubs, or professional societies you are a member of and give the positions or titles you have held.	None - I'm looking to become more involved with my community.
Describe any additional knowledge, skill, education, or experience you have, which would assist you in the duties of this Board/Committee.	I've become very interested in zoning updates and have immersed myself in the zoning maps over the past 2 years. I feel my knowledge of living in multiple successful cities with a lot of growth (Charleston, Jacksonville, Gainesville, Tallahassee) helps me understand what might move our city forward.
Explain why you want to serve on this Board/Committee, and include any potential contribution you selection would bring.	I would like to help ensure the city moves forward in a positive direction, while keeping historic values at the forefront.
Potential Conflict of Interest	I work for HCA, but I do not work in a position with business decision making responsibilities. My role would not have a conflict of interest.
Have you ever been convicted for violation of any federal, state, county, or municipal law, regulation, or ordinance? If so, give details. Do not include traffic violations or fines of \$100 or less that were imposed, unless it also included a jail sentence.	No.

List names, addresses, and telephone numbers of at least three persons who are in a position to comment on your qualifications and of whom inquiry may be made by the City of Deltona.

David Williams - (386) 506-9469

I'm working to make additional contacts, but I don't have many outside of my current place of employment. If you'd like employer contacts, I can provide them, once I understand the role and responsibilities of this board position further.
