Terms & Notes:

Project: Festival Park

Ship To: Festival Park 191 Howland Blvd., Deltona, FL 32738

Payment Terms:

Please Provide Tax Exemption Certificate.

General Terms:

Acceptance by a signature, purchase order, or contract based on this proposal indicates that you are in full agreement with all terms and conditions of this proposal, including the following:

- Prices are valid for 30 days, unless otherwise noted. After 30 days, prices are subject to change without notice.
- Sales Tax will be charged unless a valid Sales Tax Exemption Certificate is presented with order.
- Specify all colors and options in writing. Any discrepancies that arise due to oral selections will be the responsibility of the customer.

- If the customer is installing equipment, all equipment is to be installed according to the manufacturer's instructions and applicable guidelines.
- Installation, site work, permits, engineering, etc. are not included unless noted.

Warranties. All equipment, surfacing, and installation is warranted by Florida Recreational Products-FRP for a period of one year from substantial completion date. After one year, any additional manufacturer's warranties will remain in effect. Manufacturer's warranty claims to be processed by manufacturer. Florida Recreational Products-FRP assumes no responsibility for these additional warranties.

Playground Surfacing. All playground equipment is to be installed over safety surfacing per CPSC guidelines and ASTM standards. If the customer installs something contrary to the guidelines, they accept all responsibility for any liability and future litigation that may arise.

Installation Standard Services Include (as required):

- Shipping Notification/Receiving Instructions
- Pre-Installation On-Site Meeting
- Public Utility Check (Sunshine State One Call)
- Moving New Equipment at Job Site
- Layout of Equipment
- Installation of Equipment per Manufacturer's Instructions
- Trash Clean Up (Leave on-site)
- Post-Installation Walk Through

Installation Customer Responsibilities (unless otherwise noted in proposal):

- Site Plans and Surveys
- Trash Disposal or Dumpsters
- Provide Area for Storage and Staging
- Site Security
- Private Utility Locates
- Removal of Existing Equipment
- Site Prep, Grading, Drainage Systems, etc.
- Accept Deliveries and Unload Equipment

Building Permits:

Building permits are the responsibility of the owner. If a building permit is required for your project additional charges will be added to the total price if not already included in the proposal.

NOTE – All zoning, planning, health, environmental, architectural, etc. permits, reviews, and approvals are the responsibility of others as well as any required site plans or other supporting documents. If signed and sealed

engineered drawings are needed, additional charges will apply if not included in the proposal.

Theft/Vandalism. The customer is responsible for securing the site and equipment and accepts all responsibility for theft and vandalism. Any additional equipment and labor required to replace such equipment is the responsibility of the customer.

Access/Utilities. Access must be provided to the installation area for heavy trucks and equipment. Access of equipment and personnel is the obligation of the customer to provide until the project is fully completed. We will take every precaution to avoid damage, however any damage caused by the normal installation of our product, such as to sod, concrete sidewalks, private underground utilities, etc., will be the responsibility of the customer, as will any additional costs associated with limiting damage, such as providing plywood over sod for access unless included in proposal. If access is not reasonably close to the jobsite, any additional costs incurred due to having to transport materials and/or supplies will be the responsibility of the customer if not included in the proposal.

Rock/Foreign Object Clause. Most installations require digging of holes and footing equipment in concrete below finished grade. Removal of existing ground covers such as asphalt, concrete, tan bark, sand, pea gravel, wood fiber, rubber matting, poured-in-place rubber surfacing, or any other material that interferes or delays the digging of holes, is the responsibility of others, unless otherwise noted. If excessive underground obstructions such as rocks, coral, asphalt, concrete, pipes, drainage systems, root systems, water, or any other unknown obstructions are discovered, charges will be added to the original proposal.

Any other responsibilities must be clearly outlined in the proposal.
