County?

Who is your employer?
(Please include number of years, address, phone number and title / position)

I am retired

Please summarize your work experience.

I have a PhD in Mathematics and worked as researcher and manager. I worked for 50 years as a researcher, senior manager, chief engineer and trouble shooter. I am an expert on global warming and ways to mitigate it. I have extensive experience in participating in meetings and resolving problems

List any volunteer service organizations, clubs, or professional societies you are a member of and give the positions or titles you have held.

I was a youth soccer coach and my teams were very successful. I was the Swiss representative to a European board on combustion and turbulence, which dealt with making combustion less polluting

Describe any additional knowledge, skill, education, or experience you have, which would assist you in the duties of this Board/Committee.

I was on the Glastonbury, Ct Town Council, Zoning Board and Conservation Committee. Also I have served on the Deltona Ordinance and Zoning Boards. I am familiar with Zoning and Environmental issues

Explain why you want to serve on this Board/Committee, and include any potential contribution you selection would bring.

First I believe it is a duty and honor to help the City of Deltona. Secondly I have experience in Zoning and Planning and thirdly I would like to help in controlling growth. I think we need to make greater effort to protect the wetlands and to protect existing homes from flooding.

Potential Conflict of Interest

I have no conflicts and do not do any business. I am retired

Have you ever been convicted for violation of any federal, state, county, or municipal law, regulation, or ordinance? If so, give details. Do not include traffic violations or fines
