I have volunteered for over 5 years as a youth coach at Deltona YMCA. I am PTA President at Manatee Cove Elementary. I am Vice President of Volusia County PTA . I am on the SAC (School Advisory Council) Committee as well as the DAC representative. I am also the Recruitment Leader for Volusia County Referees.

Board/Committee.

I have extensive experience serving in leadership and advisory roles that require careful review, discussion, and decision-making skills directly relevant to the Ordinance Review Committee.

As the current PTA President at Manatee Cove Elementary and Vice President for the Volusia County PTA, I regularly collaborate with school leaders, parents, and community members to evaluate proposals, review budgets, and ensure funds are used effectively. In my role on the School Advisory Council, I help review and approve new educational materials and funding allocations, which has strengthened my ability to assess policies, weigh community input, and make informed recommendations.

I also serve as the current District Advisory Council (DAC) representative, providing a voice for our community at the district level. My strong network of relationships across the city including district officials, local business owners, city leaders, and the sheriff's office gives me a broad perspective on community needs and priorities.

My deep roots in Deltona, having attended Pine Ridge High, combined with my leadership experience, connections, and understanding of our community's values, uniquely position me to serve effectively on the Ordinance Review Committee.
