---------------------------------------	-----------

What Commission district do you reside in?	District 1

Are you a registered voter in Volusia	Yes

County?

Who is your employer? (Please include number of years, address, phone number and title / position)	I am a Deltona Business owner since 2020. I also am contracted to provide house management the last 2 years or so.
Please summarize your work experience.	Vast background to include volunteer work. Contract work such as business flow/restructure, auditing, and system development. I have 8 years experience in corporate forensic auditing, internal fraud prevention, accounting/commissions, acquisitions, contracting, and the COO right hand admin creating all the spreadsheets and data for the board meetings.
List any volunteer service organizations, clubs, or professional societies you are a member of and give the positions or titles you have held.	Currently: Meals on Wheels- Driver Neighbors Helping Neighbors- worker The rest are over 10yrs old.
Describe any additional knowledge, skill, education, or experience you have, which would assist you in the duties of this Board/Committee.	I am solid on research and I am active in our community. I often collaborate and help resolve issues within the community when a resident reaches out for help. I've been a resident for over 20 years and have experience in much of the verbiage used for ordinances.
Explain why you want to serve on this Board/Committee, and include any potential contribution you selection would bring.	Originally I did not plan to apply however I've been asked multiple times by several people in the community. I would hope it's to better assist Deltona with creating a stronger relationship within its community and citizens. The reason I had hesitation is because in the past the commission did not properly utilize this committee nor did they often follow the recommendations rendering it a waste of time to those who took it seriously and put in the effort to assist.
Potential Conflict of Interest	I don't see any potential conflict of interests but I'm open to discussing any that somebody else may feel could be a conflict.
Have you ever been convicted for violation of any federal, state, county, or municipal law, regulation, or ordinance? If so, give	No

details. Do not include traffic violations or fines of \$100 or less that were imposed, unless it also included a jail sentence.

List names, addresses, and telephone numbers of at least three persons who are in a position to comment on your qualifications and of whom inquiry may be made by the City of Deltona.

You could easily ask Mayor Santiago Avila, current commissioners Dori Howington and Steven Colwell. All of which I have worked with at one point or another to resolve a citizens issue.

If you need other personal references please reach out.
