

SOLICITATION REQUEST

Department: 196- Code Compliance

Department Representative: Danny Ron

Extension: 386-878-8702

Item/Description of Work Summary: The City is requesting bids from companies to provide Public Nuisance Abatement Services and/or other abatement work needed to clear properties of trash and debris, on an as needed basis, as a yearly contract. These services shall be performed at specific vacant, abandoned or occupied properties, as designated by the City Code Ordinance. Code ordinance states that if the property owner does not remove the condition(s), the City shall have the condition(s) corrected at the owner’s expense. This scope of work can or will include fence repairs, pool coverings and possible window boarding up and will be required whenever a property is identified as being in violation. The City will contact the companies that are on a list and have them provide pricing for each location at that time based on the pricing as listed in the bid form.
