to serve on this  
Board/Committee, and  
include any potential  
contribution you  
selection would bring.

I was the only manager I know of who never received an EEO Complaint nor a Union Grievance over an entire career of employment in a Government facility. I know the City does not have a Union but from what I've observed the City can use some insight in areas such as EEO matters, sexual harassment, ADA Sensitivity and Civil Rights compliance. You need only look at the plethora of LawSuits the City has compiled to see there is a problem. I strongly suspect much of this is due to a weakness or lack of effective policies. IF you want them fixed from the grow up shy an extremely motivated Personnel Director then you want me.

---

Potential Conflict of Interest

None. I am retired. All of my work I do for free.

---

Have you ever been convicted for violation of any federal, state, county, or municipal law, regulation, or ordinance? If so, give details. Do not include traffic violations or fines of \$100 or less that were imposed, unless it also included a jail sentence.

No.
