My Name is Rafael E Colón Garcia
my Address is 179 Citation Ave Deltona
FL 32738. One se Agane I went to
The Office of Coude En Forsment to
Ask Cuestion about Wath I need to
do to bring to you a tention that I do
all ways will coperate to be on complain
on wath ever need to be done.

I talke to one of the Officers, This Person
sugest that I need to bring a letter to the
office. This letter need to be About how
the county cut get the money they invest
on the clearing of my back yard.

I do live on \$1,200.00 Social Security and
a Pencion From the Veteran Administration
wish is \$700.00 more dollars per month.

Please, I would like for your office to take
in considaration that I am all ways will coperate
with you on wath ever is require by law.

I would like to bring to your a tention that the work
that was done by the workers was not finish. I need to bring to your
Attention that all the structiurs or bildings that need to
be demolishe on the back yard they was done by myself
my helpers before they came. The only work that was done
by the workers the county did contrac was the Fence and
and it was 15 Feet left to be demolishe and they did
only Five Feet left the other 10 Feet wish they never
came bac to Finishe. They scrap the vegg I had on the
back yard to keep the gras from grow in. They work 5
howers the First day the secon day was cloudy and they did
not work the 3 day they work 3 howers. They never came
back to Finishe the 10 Feet that still was undone by them

Today is = 05 = 16 = 2022

I call the county several times, Trying to Find out if the cut come to finish the work and Remove the big dome trash conteyner they left on top of my water drain. Feele, thi cost me a bunch of Finconvi nience and money. I went to the county office and ask to talk to the magistry man. But the told me that to talk to this person I need to pay \$500.00 I was on a real difficult situation Because I end up with a water bill of \$831.47. I went to the office of code Enforcement and they told me I need to bring Payper. work From a Plumbing company. At this Particular time I was not able to spend any more money because this was to much For me. All this money that was recoure to go out on the same month. Wather Bill, morgage, water, #831.47 = Morgage #1040.58 Electric Bill \$200.00 Car insurance is about \$300.00 Per month Plus life insurance \$200.00 Plus gas monthly sence Plus heath insurance \$150.00 I am bringin to you a tention all this, For you to take in consideration. Please I do want to work with this on a way tha the county be saticefy on my way to compl. Get back to me and Advice me on how you prefere For me and my wife to complay with you and your staff.

P.S. Please I would like you to take in concideration my Medical Conditions and the way I GOD want us to deal with one and others. I am including some Proves on the Bills I had bring to the Atention of the staf of the county.
