Team Volusia Economic Development Corporation's Tywan Arrington, Director, Business Development, is attending and taking meetings at Aviation Week's MRO Americas. More than 800 solution providers are exhibiting there for the largest global MRO (Maintenance, Repair & Overhaul) event.

Florida has the largest MRO concentration in the world, while remaining one of the top US states for economic impact from aviation, as well as for the number of related companies.

Attendees pictured here, in front of our valued partner **Enterprise Florida's** booth include TVEDC's Tywan Arrington, and Enterprise Florida's **EMAD GHOBAR**, Business Development Manager; **Jojo Abreu, CMP**, Event Manager; and **Katie Hogan**, Senior Director of Business Development for Aviation and Aerospace.

April 26 - 28

Evolve May 2022 Issue

FROM ENTHUSIASM TO INDUSTRY

From nationally recognized colleges and universities to icons of industry, the Greater Daytona Region and Volusia County offer an ever expanding horizon.

Within Volusia County, you can find yourself where the natural and the historical join with eco-tourism and manufacturing, where engagement thrives for both aerospace and shellfish aquaculture, where your day can easily go from trackside to beachside.

The TVEDC Brief
MAY 2022

Updates on economic development outreach and activities in May 2022. Comments or questions? Please let us know. Thank you for subscribing!

OUTREACH

Our mission and goal oriented activities include industry events, having on site meetings, and networking to meet new decision makers, organizations, and opportunities. All to help fuel a robust pipeline. Here are our May highlights.

Total Number of Economic Development Outreach Meetings in May: 25

Florida Economic Development Council (FEDC)
TVEDC joined 240 attendees representing economic development organizations from across Florida at the 2022 FEDC Conference in St. Petersburg. Embracing this year's theme of "Capitalizing on Change," we participated in two days of forums and informative discussions about some of the biggest challenges and opportunities facing the future of economic development in our state, like the talent attraction pipeline, affordable housing, trade infrastructure, and industrial site readiness.

International Asset Management Council (IAMC) Spring Forum
IAMC is the leading trade association for corporate real estate executives focused on an industrial portfolio. Membership is limited to corporate end users, service providers and economic development organizations. Keith Norden, an IAMC Fellow, is a Charter Member, active since the organization's founding in 2002. Held in Fort Lauderdale, the Spring Forum was attended by 425+ participants, with a focus on targeted training, and meaningful knowledge sharing, with real estate professionals receptive to gathering information on relocation and expansion opportunities.

★ Team Florida Marketing Partnership held an invitation-only event for top site location consultants and corporate real estate executives during the Spring Forum. Twenty special guests joined representatives from Enterprise Florida, Duke Energy, FPL, and a number of local and regional organizations in order to highlight the assets of a location in Florida.

TVEDC is a proud founding investor partner of the Team Florida Marketing Partnership.

Team Florida Atlanta Event
Team Florida Partners hosted a regional site selectors and partners meeting at the Porsche Experience Center in Atlanta, Georgia. Economic development organizations throughout the state of Florida, in collaboration with economic developers and real estate agents from Georgia and South Carolina, were in attendance.

May 2022

Livability: Find Your Best Place To Live

<https://livability.com/greater-daytona-region>

IN THIS 2022 EDITION

The best Florida has to offer can be found in the Greater Daytona Region

TeamVolusia assists companies in select industries with information and consultation in support of their relocation or expansion.

Everything is sweeter when you love where you live. And people who live here love it. It's a perfect backdrop for an enviable work/life balance. Whatever you're looking for, it's all right here in Volusia County along Central Florida's east coast.

West Volusia County offers a decidedly relaxed lifestyle with delightful downtowns, Swetsen University and the St. Johns River runs through it all. And SunRail service provides direct train service to a dozen Central Florida stations.

The Daytona Beach Area has so much to offer. The World's Most Famous Beach, The Daytona 500 at Daytona International Speedway. Spectacular classic car shows. Minor League Baseball at historic Jackie Robinson Ballpark. Embry-Riddle Aeronautical University events. Great museums, galleries and shows. Colorful dining and much more.

Natural beauty abounds in New Smyrna Beach & southeast Volusia County. Wide open beaches. Indian River Lagoon. Great surfing events. Kayaking. Paddle boarding. Deep sea fishing. Dolphin tours and more (we are the red fish capital of the world).

As residents, you and your family will enjoy all this and more. Simply contact Team Volusia Economic Development Corporation for the whole story.

Thank You & Questions

Team Volusia EDC, through tremendous commitment and partnership, works on strategic economic development activities and business recruitment initiatives to Volusia County, Florida. The organization is a valuable part of the economic development delivery system and works in partnership with state and county agencies, municipalities, chambers and other resource partners to achieve county-wide economic development goals for Volusia County. The EDC's program and services are partially funded through contracts with Volusia County and many of the municipalities located within the county. Additional funds are raised from private sector companies and organizations. Today, the organizations continues to grow and help strengthen the economic prosperity for the region.
