PRICE REDETERMINATION The Contractor may petition the Purchasing Manager for price redetermination within forty-five (45) days of the expiration of each term of the contract. Any price redetermination will include all items awarded. If the City and the Contractor cannot agree on any price redetermination, then the contract will expire. *(See other conditions under Special Terms and Conditions)*

UNUSUAL CIRCUMSTANCES: If during a contract term where costs to the City are to remain firm or adjustments are

restricted by a percentage or CPI cap, unusual circumstances that could not have been foreseen by either party to the contract occur, and those circumstances significantly affect the Seller's cost in providing the required items or services, then the Seller may request adjustments to the costs to the City to reflect the changed circumstances. The circumstances must be beyond the control of the Seller, and the requested adjustments must be fully documented. The City may, after examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the City does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the City, the City will reserve the following options:

1. The contract can be canceled by the City upon giving thirty (30) days written notice to the Seller with no penalty to the City or Seller. The Seller shall fill all City requirements submitted to the Seller until the termination date contained in the notice.
2. The City requires the Seller to continue to provide the items and services at the firm fixed (non-adjusted) cost until the termination of the contract term then in effect.
3. If the City, in its interest and in its sole opinion, determines that the Seller in a capricious manner attempted to use this section of the contract to relieve themselves of a legitimate obligation under the contract, and no unusual circumstances had occurred, the City reserves the right to take any and all action under law or equity. Such action shall include, but not be limited to, declaring the Seller in default and disqualifying him for receiving any business from the City for a state period of time.
4. If the City does agree to adjusted costs, these adjusted costs shall not be invoiced to the City until the Seller receives notice in writing signed by a person authorized to bind the City in such matters.

INVOICING AND PAYMENT: Payment for any and all invoice(s) that may arise as a result of a contract or purchase order issued pursuant to this bid specification shall minimally meet the following conditions to be considered as a valid payment request:

- b. All invoices submitted shall consist of an original and one (1) copy; clearly reference the subject contract or purchase order number; provide a sufficient salient description to identify goods or service for which payment

is requested; contain date of delivery; original or legible copy of signed delivery receipt including both manual signature and printed name of a designated City employee or authorized Agent; be clearly marked as "partial", "complete" or "final" invoice. The City will accept partial deliveries.

- c. The invoice shall contain the Bidder's Federal Employer Identification Number (F.E.I.N.).
- d. The City's terms are "Net 30 Days" after acceptance of goods or services and receipt of an acceptable invoice as described herein. Any discounts must be offered on the Bid Response Form.

GENERAL: The City of Deltona, having limited storage facilities, requires the service of private firms to provide materials, supplies and/or services on an as needed basis, as indicated herein, to support the City's needs.

ADDITIONAL TERMS AND CONDITIONS: Unless expressly accepted by the City, the following conditions shall apply: No additional terms and conditions included with the bid response shall be considered. Exceptions to the terms and conditions will not be accepted.

INTERPRETATIONS: All Bidders shall carefully examine the Bid Documents. Any ambiguities or inconsistencies shall be brought to the attention of the City in writing prior to the opening of Bids; failure to do so, on the part of the Bidder, will constitute an acceptance by the Bidder of any subsequent decision. All addendum are posted to the DemandStar website and current planholders are notified that an addendum has been issued. Bidders who obtain Bid Documents from other sources must officially register with the City's Purchasing Manager in order to be placed on the DemandStar website as a bid holder in order to receive any forthcoming addenda or other official communications. Failure to register as a prospective Bidder may cause your bid to be rejected as non-responsive if you have failed to submit a bid without an addendum acknowledgment for the most current addendum. It is the vendor's responsibility to check the DemandStar website at www.demandstar.com in order to be sure latest addendum and any prior addendum have been received.

LEGAL REQUIREMENTS: Bidders are required to comply with all provisions of Federal, State, City and local laws and ordinances, rules and regulations that are applicable to the items being bid. Lack of knowledge by the Bidder shall in no way be a cause for relief from responsibility, or constitute a cognizable defense against the legal effect thereof.

DRUG-FREE WORKPLACE: Preference shall be given to business with Drug-Free Work Place (DFW) programs. Whenever two or more bids which are equal with respect to price, quality, and service are received by the City for the procurement of commodities or contractual services, a bid received from a business that completes the attached DFW form certifying that it is a DFW shall be given preference in the award process.

The City reserves the right to accept such alteration or to cancel the contract or purchase order at no further expense to the City.
