Re: Bid #23010 Nuisance Abatements

Four bids were received for Bid#23010 for Nuisance Abatements. The bids and the bid tabulation are attached. Once you have completed your review, please indicate which company(s) you would like to put on a list to be used as needed. You can recommend making award to one or more of the companies. You can also have them bid each job against one another.

Please complete the below section and return it to me for City Manager approval. Once it is signed, I will return it to you to do the agenda memo for Commission approval.

If you have any questions, please let me know.

Thanks.

Kate
