PER ITB# PW 2021-02**

THIS AGREEMENT is made and entered into this _____ d a y o f _____, 2021 by and between the CITY OF DELTONA, a municipality of the State of Florida, whose address is 2345 Providence Boulevard, Deltona, Florida 32725, hereinafter called the "City" and **GENERAL UNDERGROUND, LLC.**, duly authorized to conduct business in the State of Florida, whose principal address is **P.O. BOX 870, Chiefland, Florida 32644** hereinafter called the "Contractor".

WHEREAS, the City desires to obtain services related to **Group 1 Water Main Replacements RE-BID** per ITB No. **PW 2021-02**. The work generally involves all work as described in the ITB documents, specifications, drawings and any addendum issued for this project.

WHEREAS, the City requested and received expressions of interest from several companies to provide these services; and

WHEREAS, Contractor is competent and qualified to furnish said services to the City and desires to provide its services for this project.

NOW, THEREFORE, IN CONSIDERATION of the mutual terms, understandings, conditions, premises, covenants and payment hereinafter set forth, and intending to be legally bound, the parties hereby agree as follows:

Article 1. Recitals

The foregoing recitals are true and correct and incorporated herein by reference.

Article 2. Scope of Services

2.1 Pursuant to the terms and conditions set forth in this Agreement, City hereby engages Contractor to perform services related to **Group 1 Water Main Replacements RE-BID** per ITB No. **PW 2021-02**, attached hereto and incorporated herein by reference, and Contractor's Proposal dated **May 18, 2021**.

2.2 The services, as described in ITB No. **PW 2021-02**, to be rendered by the Contractor, shall commence upon issuance of a Notice to Proceed and be completed within **240** days.

2.3 City and Contractor recognize that time is of the essence of this Agreement and that City will suffer financial loss if the Work is not completed within the times specified above. They also recognize the delays, expense and difficulties in proving the actual loss suffered by City if the Work is not completed on time.

Accordingly, instead of requiring any such proof, City and Contractor agree that as liquidated damages for delay (but not as a penalty), Contractor shall pay the City one thousand dollars (\$1,000.00) for each day that goes beyond the agreed upon completion date as stated on the Notice to Proceed. This amount represents an estimate of City's damages for loss of use and administrative costs associated with the delay.

2.4 The services to be rendered by the Contractor shall include all labor, materials, equipment and incidentals necessary to perform all work indicated and specified in the ITB documents.

2.5 Contractor has familiarized itself with the nature and extent of the contract documents, work, site, locality, and all local conditions and laws and regulations that in any manner may affect cost, progress, performance or furnishing of the work.

2.6 Contractor has obtained and carefully studied (or assumes responsibility for obtaining and carefully studying) all examinations, investigations, explorations, tests, reports and studies which pertain to the subsurface or physical conditions at or contiguous to the site or otherwise may affect the cost, progress, performance or furnishing of the work as Contractor considers necessary for the performance or furnishing of the work at the contract price, within the contract time and in accordance with the other terms and conditions of the contract documents and no additional examinations, investigations, explorations, tests, reports, studies or similar information or data are or will be required by Contractor for such purposes.

2.7 Contractor acknowledges that nothing herein shall be deemed to preclude the City from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by the Contractor or from independently developing or acquiring materials or programs that are similar to or competitive with, the services provided under this Agreement.

2.8 Contractor shall be responsible for obtaining all required federal, state or local permits required to complete the scope of work under this Agreement.

2.9 Contractor shall be responsible for the quality of work performed. Contractor shall, without additional compensation, correct or revise any errors or deficiencies in his services.

2.10 Contractor agrees to provide a one-year maintenance period to correct any defective work that may be found within the one-year period from the time of completion.

Article 3. Payment

3.1 The City agrees to compensate Contractor for work performed, completed and accepted by the City's representative for services provided for this project at a total cost not to exceed **TWO MILLION FOUR HUNDRED FIFTEEN THOUSAND ONE HUNDRED NINE dollars and 00/100 (\$2,415,109.00)** Fees for any additional work needed will be agreed upon in writing prior to any service being completed.

3.2 Contractor shall deliver with the invoice, as a condition precedent to payment thereof, waivers of lien for each of its Subcontractors. The City shall promptly review each invoice for payment and make such exceptions, as the City reasonably deems necessary or appropriate under the state of circumstances then prevailing.

3.3 Based upon the approved invoice, the City shall make payment to Contractor in the amount approved. The payment of any invoice for payment by the City does not constitute approval or acceptance of that part of the Project to which such payment relates or relieve the Contractor of any of its obligations hereunder with respect hereto.

3.4 In accordance with Florida Statute § 255.078, the City shall retain five percent (5%) of the gross amount of each monthly payment request. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to the City.

3.5 Contractor shall submit a monthly Application for Progress Payment to the City, which may require execution of a separate or integrated Contractor's Release and Affidavit. The period covered by each Application for Progress Payment shall be one calendar month unless otherwise agreed in writing.

3.6 The Application for Progress Payment shall be supported by documents and data as required by the City to substantiate its accuracy. The Contractor and City shall agree on a schedule of values as a basis for reviewing the Contractor's Applications for Progress Payment.

3.8 Contractor shall include in its Application for Progress Payment, that portion of the Contract Sum properly allocable to materials and equipment delivered and suitably stored at the Project site for incorporation into completed construction, less retainage.

3.9 Retainage shall be withheld in accordance with Florida Statute §218.735. Contractor may submit a payment request for all retainage withheld in accordance with §218.735(7)(e); after submission of the final invoice.

3.10 Contractor shall pay its subcontractors and suppliers in accordance with Florida Statute §218.735(6). Contractor shall require its subcontractors to pay all of the subcontractor's subcontractors in accordance with §218.735(6).

3.11 Per Florida Statute §255.05(11), the City may condition payment of a Progress Payment or Final Payment on the production of a release, waiver or like documentation from a claimant demonstrating that the claimant does not have an outstanding claim against the contractor, the surety, the payment bond, or the City for payments due on labor services or materials furnished on the project unless the Contractor provides the City with a written consent from the surety regarding the Project or payment in question. No party requiring a release from a claimant may require use of a form other than those specified in Florida Statute §255.05(2)(b-c).

3.12 Contractor shall prepare and submit an Application for Final Payment when Contractor believes in goodfaith that Substantial Completion of the Work has been achieved. The City shall review the application and perform a Substantial Completion inspection.

3.13 Within ten (10) days of certification of Substantial Completion, the City shall provide Contractor a preliminary list of items required to render the Work complete, satisfactory and acceptable to the City. The Contractor shall provide any comments, including Contractors estimated time to complete all items on the list, to the City in writing within five (5) days of receipt of the preliminary list from the City. The City shall review the Contractors written comments and deliver to Contractor a final list of items within five (5) days of receipt of Contractor's comments. Contractor shall perform all items on the final list within thirty (30) days of receipt from the City unless otherwise agreed in writing by the City.

3.14 Contractor shall notify the City and the Project Manager that the Project is ready for Final Inspection upon completion of all items on the final list. The City will then schedule the Final Inspection, in coordination with the Contractor. The Final Inspection shall be conducted by the City, within ten (10) days of the

Contractor's notification to the City. Following the Final Inspection, the City shall provide the Contractor a list of any additional items for corrective action and conduct an additional inspection, if necessary, to ensure that the Work has been completed.

3.15 The City reserves the right, if it discovers an error in the partial or final quantity estimates used for payments, or if it discovers that the Contractor performed defective Work or used defective materials, after the Final Payment has been made, to claim and recover from the Contractor or his surety, or both, by process of law, such sums as may be sufficient to correct the error or make good the defects in the Work and materials.

3.16 Contractor shall retain all records pertaining to the Project for a period of three years from the date of the City's final acceptance of the Project. Upon request, Contractor shall make all such records available to the City or its representative. Records include all books of account, supporting documents, and papers that the City deems necessary to ensure compliance with the Contract.

3.17 Any provisions hereof, to the contrary notwithstanding, the City shall not be obligated to make current payment to the Contractor hereunder if any one of the following conditions exists:

3.17.1 The Contractor fails to diligently prosecute the work in an efficient, timely, and workmanlike manner and in strict accordance with the provisions of the Contract Documents; or

3.17.3 The Contractor fails to make prompt payments to its Subcontractors, suppliers, materialmen, or laborers; or

3.17.5 Any discrepancies between the City's records and the Contractor's submittals must be rectified, to City's satisfaction, by the Contractor before the City makes payment on those items. The Contractor shall only issue invoices for services rendered. Pursuant to Chapter 218, Florida Statutes, the City will pay interest not to exceed one percent (1%) per month on all undisputed invoices not paid within thirty (30) days after receipt and acceptance of the service, and receipt by the City of a properly completed invoice, whichever is later. Invoices for payments hereunder shall be submitted to the Project Manager.

3.17.6 To be deemed proper, all invoices shall comply with the requirements set forth in this Contract and shall be submitted on the form and pursuant to instructions prescribed by the City.
