Fire Safety Inspector II

I have been employed with the city since 2014 and was at my previous employer for 18 years

Please summarize your work experience.

I am responsible to the enforcement of codes and standards as adopted by the State of Florida to include the inspections of occupancies for the issuance of business tax receipts. I complete plans review and the permit inspections of construction projects within my jurisdiction. I assist with Code Enforcement on an as needed basis to ensure compliance with our local Municode ordinances.

List any volunteer service organizations, clubs, or professional societies you are a member of and give the positions or titles you have held.

I have volunteered with the Boy Scouts of America for 7 years to include the position of Cub Master, Scout Master and served on the Troop's Committee in the capacity of Committee Secretary.

Have you ever served on a committee or advisory board? If so, give the details, including any positions held. Have you ever held public office? If so, give the details, including offices involved, whether elected or appointed, and the length of service.

I have not served on any government boards but I feel I have in-site as to how things within local government operate and have experience with the navigation within Municode for the purpose of enforcement.

Describe any additional knowledge, skill, education, or experience you have, which would assist you in the duties of this Board/Committee.

I have obtained over 300 hours of management training as well as 500 hours in job specific training that allows me to be a rational well rounded candidate for this volunteer position. Also in my position I have assisted with the enforcement of local ordinances which I feel gives me an objective view that would be an advantage to the rest of the Board members and compliment their positions.

Explain why you want to serve on this Board/Committee, and include any potential contribution you selection would bring.

I feel that I will be able to bring another aspect or point of view to the table in order to compliment the current board members to come to sensible and amicable decisions that will affect the citizens of Deltona for a positive outcome.

Potential conflict of interest: Do you do business, or are you engaged in the management of any business enterprise that has a financial interest with the City of Deltona? Please give details, including the name of the enterprise, the nature of the business, and the position you hold.

I currently am not employed within Volusia County or the City of Deltona nor do I have a vested interest in any businesses within the city.

Have you ever been convicted for violation of any federal, state, county, or municipal law, regulation, or ordinance? If so, give details. Do not include traffic violations or fines of \$100 or less that were imposed, unless it also included a jail sentence.

I have a clean background and have to maintain one for employment with the City of Winter Park.

List names, addresses, and telephone numbers of at least three persons who are in a position to comment on your qualifications and of whom inquiry may be made by the City of Deltona.
