Organization: Women's Council of Realtors

Number of Years as a Deltona Resident: 2 - 5 Years

What Commission district do you reside in? District 2

Are you a registered voter in Volusia County? Yes

Who is your employer? (Please include number of years, address, phone number and title/position): EXP Realty, 2 years (4 years in real estate altogether), 610 Sycamore St #315 Celebration, FL 34747 (I work from home in Deltona primarily servicing the W Volusia area), 1-888-883-8509, Realtor and Mentor.

Please summarize your work experience.: I started out as an Air Force Imagery Intelligence analyst that got the opportunity to use my background to cross-train into Drone operations, serving almost 9 years in active duty military service. After I separated I became a mom and branched out into customer service positions, including becoming a sales manager, while growing our family. Once I decided to go back to work after having our 3 kids, I decided to get my real estate license so I could have more control over my schedule and work with helping others achieve their homeownership dreams. I now work full time as a realtor and mentor new realtors looking for a change in their career.

List any volunteer service organizations, clubs, or professional societies you are a member of and give the positions or titles you have held.: I am currently the President-Elect of the Women's Council of Realtors Volusia Area and was previously the Events Director.

Have you ever served on a committee or advisory board? If so, give the details, including any positions held. Have you ever held public office? If so, give the details, including offices involved, whether elected or appointed, and the length of service.: I served as a member of the Professional Development Committee of the Orlando Regional Realtor's Association. The committee's objective is to provide the tools, guidance, and education to maximize Realtor professionalism and offer opportunities to optimize their potential.

Describe any additional knowledge, skill, education, or experience you have, which would assist you in the duties of this Board/Committee.: I think having a diverse background like mine that is made up of years working on many skills to include my professional and interpersonal skills will provide a lot of value to the committee. I spent many years presenting information to military officers and now to other real estate professionals and feel very

comfortable public speaking. One of my strong suits as a real estate professional is also networking which I believe is key in being an integral part of your community.

Explain why you want to serve on this Board/Committee, and include any potential contribution you selection would bring.: I would like to serve on this committee because I have been looking for an opportunity to serve in my local community especially when it has anything to do with housing or real estate. I want to be knowledgeable in what we have to offer here in Deltona along with being able to share ideas and opinions for the future success of the board and Deltona as a whole. I would use the knowledge and network I already have established as a real estate professional in order to help out in any way I can.

Potential conflict of interest: Do you do business, or are you engaged in the management of any business enterprise that has a financial interest with the City of Deltona? Please give details, including the name of the enterprise, the nature of the business, and the position you hold.: No

Have you ever been convicted for violation of any federal, state, county, or municipal law, regulation, or ordinance? If so, give details. Do not include traffic violations or fines of \$100 or less that were imposed, unless it also included a jail sentence.: No

List names, addresses, and telephone numbers of at least three persons who are in a position to comment on your qualifications and of whom inquiry may be made by the City of Deltona.:
