The Planning and Zoning Board is dedicated to working hard and keeping our City moving forward and a top priority during the COVID-19 pandemic is to help maintain the health of our employees and residents. Another top priority is being able to maintain public participation in our City meetings. Following CDC Guidelines, we are allowing limited public access into the Commission Chambers and practicing social distancing with the Planning and Zoning Members, staff, and residents. Though there are restrictions when it comes to public gatherings, we are dedicated to making sure those who would like to make their voice heard are able to.
