BACKGROUND:

..Background

On May 25, 2021, the City opened bids on the Group 1 Water Main Replacements RE-BID project which includes the replacement of approximately 20,000 linear feet of aging water mains at various locations around the City. This project is part of the Utility's ongoing program to replace aging infrastructure in order to provide more consistent and dependable water to our customers, and to avoid costly, inconvenient, and potentially dangerous repairs. The low bid was from General Underground, LLC in the amount of \$2,415,109.

OPTIONS:

1: Approve - Proceed with the project for the proposed water system improvements.

2: Deny - Abandon the project without addressing the aging water mains and move on to other projects in the watermain replacement program.
