STAFF RECOMMENDATION PRESENTED BY:

That the Commission approve and authorize the direct purchase of a permanent By-Pass Pump from Xylem Dewatering Solutions, utilizing the Florida Sheriffs Association Contract #FSA20-EQU18.0 in the amount of \$111,348.40 - Glenn Whitcomb, Public Works/Deltona Water (386) 878-8929.

POTENTIAL MOTION:

"I move to approve the direct purchase of a diesel driven CD180M pump and accessories from Xylem Dewatering Solutions utilizing the Florida Sheriffs Association Contract #FSA20-EQU18.0 in the amount of \$111,348.40. The City Manager has the authority to make corrections of scrivener's errors and the like."

BACKGROUND:

This is a Capital Improvement Project that was approved in the FY 22-23 budget. The Elkcarn Boulevard Lift Station is one of several Master Lift Stations in the City and has a very high volume of flow. This permanent by-pass pump will significantly reduce the risk of an overflow in the event of a power or internal electrical submersible pump failure within the Lift Station.

Approval of this item authorizes the necessary budget transfers to facilitate Commission approval and further authorizes the City Manager to sign any documents necessary to further Commission approval of this item.
