Good Afternoon,

At the Opioid Abatement Advisory Board meeting on March 18, 2024 the advisory board approved an amendment to the interlocal agreement and on July 21, 2024 the board approved an amendment to the bylaws (attached). The amendments to the interlocal agreement and bylaws will allow appointments and/or reappointments of primary board members to begin on October 1<sup>st</sup> (Instead of January) for a 2-year term and will allow for the appointment of an alternate voting member with the same term expiration date.

Please appoint/re-appoint your primary member with the new revised appointment date of October 1<sup>st</sup>. In addition, please let me know if your municipality has elected to appoint an alternate member, and who that alternate member is.

Also, please provide the contact information (emails and phone numbers) of the individuals appointed for the primary member and alternate member.
