PROPOSAL NOTES

This proposal is for a Limited Lifetime architectural shingle, rated at 130 MPH. We propose to tear off your old roof to the wood deck and replace all vents, lead boots, flashing, and damaged wood. Wood repairs pricing is listed above. A 5-layer protection system is used for all valleys and around peripherals penetrating your roof deck using peel and stick underlayment, a fiberglass-reinforced felt, that is stronger than a 30-lb. felt. All taxes and permitting fees are included.

Price subject to change on specialty wood orders, if needed. N/A

CONTRACT TERMS AND CONDITIONS

1. All work shall be completed in a workmanship like manner and in compliance with all building codes and other applicable laws.
2. To the extent required by law all work shall be performed by individuals duly licensed and authorized by law to perform said work.
3. Any changes to a signed proposal shall be made in writing and will require the signature of both the Owner and Pro Roofing & Associates, Inc.
4. Any job proposals quoted to a customer based on a blueprint or eagle view is subject to additional charge if blueprints are found to be inaccurate. Additional charges will apply to any additional material and labor needed to complete the job.
5. Payment is due immediately after job completion. If payment is not received within 3 business days after completion of job, there will be a 3% late fee added to the balance due.
6. If payment is made with a credit card, the total is subject to a convenience fee added to the total sum of the balance due.
7. Both worker's compensation and public liability insurance are carried by Pro Roofing & Associates, Inc. and are applicable to the work to be performed.
8. Pro Roofing & Associates, Inc. shall obtain all permits necessary for the work to be performed. Cancellation by customer will result in a cancellation fee of the cost of permit plus office expenses.
9. Pro Roofing & Associates, Inc. agrees to remove all debris and leave the premises in broom clean condition. Pro Roofing & Associates, Inc. will clean roof debris from gutters in addition to magnetically sweep entire perimeter of job site. All roofing debris will be hauled away and is included as part of our service.
10. All disputes hereunder shall be resolved by binding arbitration in accordance with rules of the American Arbitration Association.
11. Pro Roofing & Associates, Inc. shall not be liable for any delay due to circumstances beyond its control including inclement weather, strikes, causality or general unavailability of material.
12. It is understood and agreed that the buyer hold harmless, Pro Roofing & Associates, Inc., for any damages that may occur to the buyer's driveway(s) during the delivery and/or the removal of work-related materials and debris by commercial vehicles and machines. Furthermore, the buyer herein gives permission for typical delivery vehicles and typical waste removal vehicles to enter said driveway(s) for expediting this sale contract.
13. Pro Roofing & Associates, Inc. shall not be held responsible for damages to electrical lines, water lines, refrigerant lines or other mechanical components that have been improperly installed near roof decking and may be damaged while performing installation of roofing materials.
14. Pro Roofing & Associates, Inc. shall not be held responsible for damage caused to unsecured items, i.e. pictures, china, electronics etc., due to vibrations caused by the removal and replacement of roof.
15. Homeowner will coordinate removal and re-installation of roof related peripherals such as (but not limited to) solar units, skylights, T.V. dishes or antennas, and air conditioner units, etc. The cost for such work may be in addition to contract price approved by homeowner.
16. Home owner is responsible for getting approval from HOA, including color selection and material.
17. **This proposal is valid for the 21 days.** Orders must be received within that period; otherwise this estimate will become void and subject to re-estimating according to current market prices.
18. Any finance agreement is between the financial institution and the finance applicant. Pro Roofing is not responsible for any financial agreement made with any 3rd party.
19. If two or more layers of shingles are found during tear off, Pro Roofing reserves the right to assess an extra charge for removal and disposal.
20. During installation if measurements obtained by satellite imagery (EagleView, etc.) are found to be inaccurate, Pro Roofing reserves the right to assess an extra charge for labor and materials required.

ACCEPTANCE OF PROPOSAL:

All materials are guaranteed as specified. We will obtain all city or county permits necessary for the completion of the job. All work will be completed according to standard roofing practices and current building codes. Any alteration or deviation from above specifications involving extra costs will be executed only upon written order and will become an extra charge item over and above this agreement. Any leaks occurring during the warranty period will be repaired per our written warranty. This proposal may be withdrawn by us if not accepted within 15 days. The above specifications, prices and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined herein. If payment is not received within 3 business days after completion of job, there will be a 3% late fee added to the balance due. Payment is due immediately after job completion.
