LPR Success

 9 related cases were cleared with LPR Technology

In May of 2023, a string of auto thefts, vehicle burglaries, and dispensary burglaries began to plague central Florida, to include the city of Deltona. During these incidents, suspects used masks, gloves, and other clothing items to conceal their identity. However, with the use of LPR's vehicle tags were identified and suspects were able to be identified. Arrests were made and all cases were cleared.

The suspects were gang members out of Orange County. With our help, other agencies were also able to charge these suspects for the crimes the committed in their Area of Responsibility.

Community Engagement

Deputies surprised Chris, a local 7eleven employee, with a birthday card and a gift. This was to thank him for all of his hard work and being a friendly face on many late nights.
