City of Deltona,

**Subject: Letter of Intent to Establish Preschool Facility in Deltona**

Dear City of Deltona Representatives,

I am writing to formally express my intent to establish and operate a preschool program with the City of Deltona. My goal is to provide a safe, nurturing, and educational environment for young children in our community, supporting families and contributing to the city's commitment to quality early childhood education.

I am currently seeking to lease a suitable building within Deltona that meets all city zoning, safety and licensing requirements. The facility will be designed to comply with Florida Department of Children and Families (DCF) standards, as well as local fire, health, and building codes.

The preschool will focus on:

- Early childhood development through structured, play-based learning.
- Inclusive practices that welcome children of diverse backgrounds.
- Strong partnerships with families and the community.

I respectfully request the city's guidance and support in reviewing this proposal, including any Zoning considerations, permitting requirements, or additional steps necessary to move forward.

Thank you for your time and consideration. I look forward to working collaboratively with the City of Deltona to bring this valuable resource to our community.

Sincerely,

Diana Austin-Seijas  
Founder/Director
