**WHEREAS**, it is the purpose of this Agreement to clearly set forth the understanding and agreement of the parties concerning the matters contained herein; and

**WHEREAS**, the Owner/Developer has sought the City's approval to develop the Subject Property, and the City approved Ordinance No 09-2024, through rezoning the Subject Property to a form of Planned Unit Development (PUD), as defined under the City's Land Development Code Section 110-319. 7. **Development Permits/Fees/Impact Fees.** The Owner/Developer is responsible for obtaining, permitting, and the payment of all fees for facilities and services to ensure the Subject Property. Any site permits shall be kept current with the respective permitting agency and shall ensure the protection of the public health, safety, and welfare of the community and the development. If the Owner/Developer fails to complete the obligations within the 90-day period, then the City, without further notice to the Owner/Developer, or its successors in interest, may, without prejudice to any other rights or remedies it may have, place liens, and take enforcement action on the Subject Property. A lien of such assessments shall be superior to all others, and all existing lienholders and mortgagees, by their

execution of the subordination or joinder documents, agree to subordinate their liens or mortgages to the City's said liens or assessments. Notice to the Owner/Developer and its successors in interest shall be deemed to have been given upon the mailing of a notice to the address or addresses set forth in Paragraph (20) hereof.

10. **Site Plan/Plat Approval.** Exhibit "C," the Master Development Plan, is the Preliminary Plan of the PUD and this Agreement. The Master Development Plan shall not replace, supersede, or absolve the Owner/Developer from approvals for any Site Plan, Preliminary Plat, and/or Final Plat and their respective regulations. Where more detailed criteria for City required submittals exceed the criteria required for a Master Development Plan, the more detailed criteria apply. Subdivision Application and/or Final Site Plan approval is required for Development Order issuance. Building permit shall not be issued until the Development Order is recorded with the Volusia County Clerk of the Circuit Court.
11. **Indemnification.** The Owner/Developer shall indemnify and hold the City harmless from any and against all claims, demands, disputes, damages, costs, and expenses, (to include attorneys' fees whether or not litigation is necessary and if necessary, both at trial and on appeal), incurred by the City as a result, directly or indirectly, of the use or development of the Subject Property, except those claims or liabilities caused by or arising from the negligence or intentional acts of the City, or its employees or agents. It is specifically understood that the City is not guaranteeing the appropriateness, efficiency, quality, or legality of the use or development of the Subject Property, including, but not limited to, drainage or water/sewer plans, fire safety, or quality of construction, whether or not inspected, approved, or permitted by the City.
12. **Compliance.** The Owner/Developer agrees that it, and its successors and assigns, will abide by the provisions of this Agreement, the City's Comprehensive Plan, and the City's Code of Ordinances, including but not limited to, the site plan regulations of the City as amended from time to time, which are incorporated herein by reference and such subsequent amendments hereto as may be applicable. Further, all required improvements, including landscaping, shall be continuously maintained by the Owner/Developer, or their successors and assigns, in accordance with the City's Code of Ordinances. The City may, without prejudice to any other legal or equitable right or remedy it may have, withhold permits, Certificates of Occupancy, or plan/plat approvals to the Subject Property, should the Owner/Developer fail to comply with the terms of this Agreement. In the event of a conflict between this Development Agreement and the City's Land Development Code, the more restrictive regulations shall govern the development of the Subject Property.

13. **Obligations for Improvements.** Any surface improvement as described and required hereunder included, but not limited to such as signalization, walls, stormwater management facilities, medians, and utilities, or any other surface improvement shall be performed, prior to the issuance of the first Certificate of Occupancy on that portion of the Subject Property that the surface improvement(s) relates or is otherwise scheduled in this Agreement. Should the Owner/Developer fail to undertake and complete its obligations as described in this Agreement and to the City's specifications, then the City shall give the Owner/Developer 30 days written notice to commence and 90 days to complete said required obligation at the sole expense of the Owner/Developer. If the Owner/Developer fails to complete the obligations within the 90 day period, then the City, without further notice to the Owner/Developer and their successors and assigns in interest, may but shall not be required to, perform such obligations at the expense of the Owner/Developer or their successors and assigns in interest, without prejudice to any other rights or remedies the City may have under this Agreement. Further, the City is hereby authorized to immediately recover the actual and verified cost of completing the obligations required under this Agreement and any legal fees from the Owner/Developer in an action at law for damages, as well as record a lien against the Subject Property in that amount. The lien of such assessments shall be superior to all others, and all existing lienholders and mortgagees, by their execution of the subordination or joinder documents, agree to subordinate their liens or mortgages to the City's said liens or assessments. Notice to the Owner/Developer and their successors and assigns in interest shall be deemed to have been given upon the mailing of notice as provided in paragraph (20) of this Agreement.
14. **Concurrency and Vested Rights.** The Owner/Developer acknowledges and agrees that prior to the issuance of any development orders for the Property, the Owner/Developer must have received and be in possession of a valid unexpired certificate of capacity/concurrency management system approval consistent with the City's Land Development Code. The capacity certificate/approval verifies the availability of infrastructure and service capacity sufficient to permit the proposed development of the Subject Property without causing a reduction in the levels of service adopted in the City's Comprehensive Plan. The certificate of capacity/approval shall be effective for a term, as defined in the City's Code of Ordinances. Neither this Agreement nor the approved Master Development Plan shall create or result in a vested right or rights to develop the Subject Property, as cited in Section 86-34 of the City's Land Development Code.
15. **Environmental and Tree Preservation.** The Owner/Developer is responsible for obtaining all site-related permits and approval prior to any development

activity on or for the Subject Property. This may involve mitigation for the habitat of threatened or endangered flora and fauna, or species identified for proportion (i.e., tree preservation). A 100 percent gopher tortoise survey of the property shall be provided at the time of subdivision and/or Site Plan application submittal to be conducted by an Authorized Gopher Tortoise Agent. Associated permitting with FWC may be required if burrow(s) cannot be avoided and all potentially occupied burrows will be permitted for relocation and relocated to a permitted gopher tortoise recipient site. The Owner/Developer shall provide concurrence with USFWS as it relates to Scrub Jay impacts prior to the commencement of any active work on the site, including localized lot clearing or under brushing. Additionally, 0.74 acres of the Subject Property is within the 100-year flood plain, however, no development will occur within that area.

This Agreement does not vest or exempt the Owner/Developer from any permitting and mitigation obligations needed to develop a Subject Property.

16. **Homeowners Association or Property Owners Association (if/when applicable).** The charter and by-laws of any Property Owners Association (“POA”) for the Subject Property and any deed restrictions related thereto shall be furnished to the City for approval by the City Attorney prior to the recording thereof in the Public Records of Volusia County, Florida. Such recording shall take place before a Certificate of Occupancy is issued for the first development project on land covered by this Agreement. The POA shall at a minimum be responsible for maintaining the common open space, any common utility systems, such as irrigation and site lighting, and project signage. The Owner/Developer shall be responsible for establishing the POA and recording said information in the Public Records of Volusia County, Florida. The City is not responsible for the enforcement of any agreements or deed restrictions entered into between property owners or occupiers of the Subject Property. If maintenance for the Subject Property is not maintained following the issuance of a Certificate of Occupancy, the City has the option to undertake Code Compliance action as deemed appropriate.
17. **Enforcement.** Both parties may seek specific performance of this Agreement and/or bring an action for damages in a court within Volusia County, Florida if this Agreement is breached by either party. In the event that enforcement of this Agreement by the City becomes necessary, and the City is successful in such enforcement, the Owner/Developer shall be responsible for the payment of all of the City’s costs and expenses, including attorney fees, whether or not litigation is necessary and, if necessary, both at trial and on appeal. Such costs, expenses, and fees shall also be a lien upon the Subject Property superior to all others. Should this Agreement require the payment of any monies to the City, the recording of this Agreement shall constitute a lien upon the Subject

Property for said monies, until said are paid, in addition to such other obligations as this Agreement may impose upon the Subject Property and the Owner/Developer. Interest on unpaid overdue sums shall accrue at the rate of the lesser of eighteen percent (18%) compounded annually or at the maximum rate allowed by law.

18. **Utility Easements.** For any easement not established on a plat for the Subject Property, the Owner/Developer shall provide to the City and/or County such easements and other legal documentation, in a form mutually acceptable to the City Attorney and the Owner/Developer, as the City and/or County may deem reasonably necessary or appropriate for the installation and maintenance of the utility and other services, including but not limited to, sanitary sewer, potable water, and reclaimed water services, electric, cable, gas, fire protection, and telecommunications.
19. **Periodic Review.** The City reserves the right to review the Subject Property subject in relation to this Agreement periodically to determine if there has been demonstrated good faith compliance with the terms of this Agreement. If the City finds that on the basis of substantial competent evidence that there has been a failure to comply with the terms of this Agreement, the City may not issue development orders or permits until compliance with this Agreement has been established.
20. **Notices.** Where notice is herein required to be given, it shall be by certified mail return receipt requested, hand delivery, or nationally recognized courier, such as Federal Express or UPS. E-mail delivery of documents shall not replace or be in lieu of the aforementioned process. Said notice shall be sent to the following, as applicable:
